# YOUR HOSTS

## GREATER AUSTIN ASIAN CHAMBER OF COMMERCE

The Greater Austin Asian Chamber of Commerce (GAACC) is the leading organization representing the Asian American Pacific Islander (AAPI) business community in Central Texas. There are over 160,000 Asians or Asian Americans living in the Greater Austin area. AAPIs are the second-largest minority group in the region, comprising 9 percent of the area's population. While averages make this demographic look healthy, it is highly diverse and disaggregated data reveal many gaps among ethnic groups. To address these needs, GAACC works to be a voice for the AAPI community, designing events and programs that are culturally tailored to the business needs of Asians and Asian Americans.
